# FULKS FLYER

## JUNE 2014

Global Theological Seminary

Uganda, East Africa

"...commit these to faithful men who will then be able to teach others also." 2 Tim. 2:2

**GOOD STEWARDSHIP:** IF YOU ARE GETTING THE FULKS FLYER BY POST MAIL AND YOU ARE ABLE TO RECEIVE IT VIA EMAIL, PLEASE LET US KNOW ASAP. We want to put you on the email list and take you off the post list. We are **SO GRATEFUL** that our sending church, Jeffersonville, is funding the postage, etc. of mailing out the Fulks Flyer. We want YOU to help US help Jeffersonville keep their costs as low as possible. THANKS!

### FULKS FAMILY NEWS

**48?!** When I taught high school in the early 1990s, I had to wear a tie so the cafeteria staff would know I was a teacher, not a student. Now, when people look at my young, beautiful bride of 21 years, they wonder how I can be 48.

**Johnny's accident:** It will make a good story one day, but getting a call from Alaska that Johnny had nearly cut off 2 fingers and was in surgery was not pleasant to his parents. The story is too long to share here, but he is recovering well... just bored, not able to work. If you want to read an account of the story, email me. **Please pray for Johnny's complete recovery and tuition for the Fall semester.**

**ECHOES:** Our moving date to Rift Valley Academy is Aug. 3. We have been very busy packing, and selling personal items we are not taking. Because most of the furniture is gone, our voices echo off the walls in our home. Memories "echo" from the items we are selling and packing - "echoes" of our children growing up, of Dad and Mom Gardner living next door, of coworkers and missionaries, of God at work in our lives and ministries through both joys and struggles. Emotions have been strong and good memories... MOSTLY. We rejoice that other missionaries and friends are now going to make memories with our "stuff."

With the sale of much of what we have collected over the last 15+ years, we believe we have most of what we need to resettle and set up house again at RVA. The apartment/dorm where we will be living is smaller, but just the right size for the 5 of us. There is also room for visitors. When are YOU coming to RVA/Kenya?

**Gardner Memorial Library:** Ground was broken on May 24<sup>th</sup>. Moses and David have done tremendous oversight of the building. A few unplanned expenses came in the foundation, but we should be able to finish the main structure with current funding. If you want to help with the "extras," like security walls, offices, toilet, & landscaping, please send your "investment" in GTS students to Global Outreach marked "GTS Library Acct. #1805." Thank you.

GTS Library project June 24

**GTS' Greatest Need:** GTS receives multiple requests for our 1-year certificate level courses we call Global Bible Institutes. We have been in 24 locations around Uganda and currently operate 3 GBIs. We are starting a GBI in another strategic location, but we need funding. Please pray for the \$300 we need each quarter (that is \$1,200 annually). If you can help, give to GO, marked "GBI acct. #1281."
