CHRISTMAS 2014

"unto us a child (humanity) is born, unto us a son (deity) is given" Isa. 9:6

Dear fellow helpers,

A CHRIST CENTERED CHRISTMAS AND A BLESSED NEW YEAR IS OUR PRAYER FOR YOU AND YOURS!

WE PRAISE GOD for all His blessings through this year - for family, continued good health, safe travel, opportunities to minister, faithful supporters, freedom to worship and blessed assurance that God is still in control of all situations, personal and global.

WE THANK YOU, for your faithful support for REVIVAL CRUSADE, INC. We are grateful for every letter, every gift and every word of encouragement. Only after the Lord returns will you know the value and reward for your investment in the work that God has entrusted to us.

WE DID have a busy year. *meetings in 33 churches in 8 states * over 40,000 miles without accident or car trouble * many hours of counseling * assisted three churches by working with pastoral search committees and recommending pastoral candidates * A highlight was our third mission trip to **Cuba**. There, working alongside Dr. Steve Cook, we saw **325 professions of faith!** **December 2-12** we will finish 2014 with our **29th Israel Tour**. I (Glenn) am greatly blessed and honored to be traveling with Dr. Norris Belcher and will be sharing the teaching on site and assisting as needed. Dr. Steve Cook will also be traveling at this time with his group. I will do some teaching and consulting with Him. Thank God for the opportunity to close this year in "The Land".

On a personal note, we visited Dixie WV where we began our life and ministry together in 1958. The one thing that has most impressed us through these 56+ years is the faithfulness of our God. We are most blessed!

WE PLAN to continue serving wherever and in whatever ways God opens a door. Tentative trips include a 4th outreach to **Cuba in September of 2015** AND a **30th ISRAEL AND PROPHECY TOUR in November**. The desire to go and to do is still strong. "Mother Nature and Father Time" are affecting us!!! We cannot do at 79 what we have done since 1958. Our endurance is no longer equal to our desire. Most of the preachers for whom I have preached are either retired or in heaven. We still say that as the Lord opens the doors, we want to go. The radio program on WCHS is in its 40th year (www.58WCHS.com) and is still at 9 AM EVERY SUNDAY. Daily programs are still aired on stations in the Caribbean area. Through the internet, programs and sermons on CD are available to be heard around the world. (www.revivalcrusade.net)

WE NEED your prayers and continued financial support. Sad to say, we have seen a reduction in giving, both by churches and by individuals. Some faithful supporters have gone to heaven and others are now retired and living on reduced incomes. This year three churches stopped sending monthly support. In the past few years, that number of churches has dropped from a high of 43 to 38. Two other churches have cut their support by 50%. WHY? Those churches have experienced a decrease in attendance and in offerings and have had to make major changes in their budgets. The struggling economy has had an adverse affect on most ministries, including ours.

Our method of operation has always been "trust the Lord and tell the people"; that is, by letting God's people know of our needs, opportunities and aspirations for the continuation of REVIVAL CRUSADE. Be assured of our love and prayers for all, especially for those who stand with us spiritually (by prayer) and financially (by giving). Please pray and ask the Lord how he would have you be involved with us these last days.

AGAIN, HAVE A CHRIST CENTERED CHRISTMAS AND A BLESSED NEW YEAR.

In His love and labor

Glenn and Fleta Mathews
