

*For your information and intercession*

July 2020

Dear Fellow Laborers,

In these turbulent times, we greet you with a prayer that the peace of God will keep your heart (what you feel) and mind (what you think) through Christ Jesus, our lord.

**DO NOT LET WHAT YOU KNOW BE UPSET BY WHAT YOU DON'T KNOW!** Think about that sentence for a moment before you continue reading.

**NEWS FLASH! PERSONAL STUFF FROM GLENN!** March 3rd and 10<sup>th</sup> had Cataracts removed. No problem. Glad it is done.

**BUT WAIT, THERE'S MORE!** March 27 Passed out. Four hours later, had a Pacemaker installed. March 28, broken ankle set. 5 days in the hospital, 15 days in Rehab...from the wheelchair to the walker to the boot and to normal shoes. YEAH! Thank the Lord!

**EVEN MORE STUFF!** Fleta, the perfect combination of Mother Teresa and Scarlet Ohara, had all the work on her for the three months...the house, the yard, the ministry, correspondence, PLUS caring for Glenn .... what a woman!

**WOULD YOU BELIEVE EVEN MORE?** The pandemic (media fueled???) has and will continue to have a great impact on our lives. I resist the temptation to write more about it now, but will reserve the right to rant at a later date. 😊

Finally, churches are beginning to reopen. I understand that it will be a long time before the "average church" schedules any special meetings (revivals, bible/prophesy/missions conferences. (Don't tell anybody, but many churches stopped having those long before the corona virus disrupted our lives). This letter is saying that I am willing and able to travel and to minister. (After all, I am only 84+1/2! Pray that the Lord will provide open doors so we may remain both faithful and fruitful.

May the Lord richly bless you and yours.

Until He comes,

*Glenn + Fleta*
